ABYSM

ARIAN

ATX COMPUTER CASE

STRENGTH THAT NOT JUST FEEL, YOU ALSO SEE

ABYSM

ARIAN

ATX COMPUTER CASE

The ATX professional case in which what you see is what there is. Useful aesthetics, innovative design and space are the three concepts that define the Arian - M case.

You will get enough storage space thanks to its 5 internal bays (2 x 3.5 "+ 3 x 2.5") and 2 x 5.25" external bays.

Arian - M connectivity is ensured thanks to 2 x USB 2.0 + 2 other 3.0 connectors located at the top of the chassis.

Arian - M also allows you to place up to 5 fans, two in the front, two in the top of the chassis and one in the rear.

In addition, Arian - M is compatible with air or liquid cooling systems, so that the only temperature that matters is the competitions´one.

And all this, with a three-year warranty, to play with the confidence that ABYSM products offer you.

No doubt, with Arian - M you'll see it clearly
